Subject: Retirement and New Contact

Hi –

I want to take a moment to let you know that I am retiring and tomorrow will be my last day in the Office. Alison Pierce, whom some of you may already know, will be taking over a number of my responsibilities so please feel free to copy her on emails to Wendy

or contact her directly if you need assistance. You will be in good hands. Her email is Pierce.Alison@EPA.gov and her number is 202-564-2437.

I have enjoyed working with you over the years and I wish everyone the best in implementing the new Act. It's an exciting time.

Take care!
